

Diagnostic Refurbished Ultrasound System

All refurbished equipment is sold on a first come—first serve basis, as-is.

HITACHI HI-VISION 900

Diagnostic Ultrasound System

The Hitachi HV-900 is an excellent system for all modalities; Ob, Gyn Cardiac, Pediatrics, Vascular, Urology, Brest, Endocrine, and Small Parts Imaging. This system is approximately 5 years old, and is in fantastic operational condition.

Additional system & transducer photos and transducer images are available upon request.

The refurbished HV-900 shown here is available on a first come—first serve basis, and is being sold “as-is” with no warranty.

If you have any questions, please feel free to contact us.
