

Diagnostic Refurbished Ultrasound System

All refurbished equipment is sold on a first come—first serve basis, as-is.

SonoAce SA-X8EX Diagnostic Ultrasound System

The Medison SonoAce SA-X8EX is an excellent system for Vascular, Breast, Endocrine and Small Parts Imaging. The SA-X8 is also a great system for OB, and GYN applications. This system is approximately 5 years old, and is in fantastic condition.

Additional system and transducer photos, and transducer images available upon request.

The refurbished X8 shown here is available on a first come—first serve basis, and is being sold “as-is” with no warranty; however the product is in excellent operational condition.

If you have any questions, please feel free to contact us.
